

FUNDRAISING OPPORTUNITIES
in Support of the
14th Annual KAAN Conference
Journeys ...
JULY 27-29, 2012/ ALBANY, NY

KAAN: the Korean American Adoptee Adoptive Family Network is a small nonprofit with a big project ... the coordination of a national conference that brings together adult Korean-born adoptees, their families, Koreans, and Korean Americans to better understand and support adoptees. We do what we can to keep fees low—staff even donate their time—but to provide a quality gathering at an affordable rate we need the support of like-minded donors. General donations are tax-deductible and will be acknowledged in our printed program. Below are additional sponsorship opportunities (*those that involve receipt of goods or services may not be fully deductible*).

Here's how YOU can help make this conference affordable for adoptees and their families ...
